Inv. No. 337-TA-669

**ORDER NO. 5: EXTENDING THE TARGET DATE AND RESCHEDULING THE HEARING DATES**

(August 10, 2009)

Order No. 4 set the procedural schedule for this investigation, which included a hearing for October 19-23, 2009. By this order, the ALJ is extending the target date by one month and moving the hearing dates back by approximately one month to November 16-20, 2009, for good cause. The ALJ's docket has gotten increasingly busy – in addition to his responsibilities in other investigations, the ALJ has two final initial determinations in Investigation Nos. 337-TA-630 and 337-TA-657 and a remand initial determination in Investigation No. 337-TA-632 due prior to the hearing dates in this investigation as well as an evidentiary hearing in Investigation No. 337-TA-661, all of which are set to transpire before the hearing dates in this investigation.

Therefore, the sixteen month target date for completion of this investigation is set for July 12, 2010,<sup>1</sup> with a final initial determination on violation due on March 12, 2010. The pre-hearing conference for this investigation is set to begin on Monday, November 16 in Courtroom B, with the hearing to commence immediately thereafter, and will end no later than Friday, November 20.

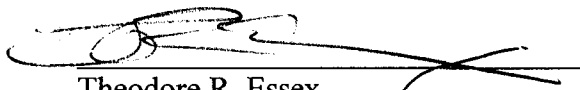

<sup>1</sup> July 10, 2010 falls on a Saturday.
